COMPANY NUMBER: 1796201
("Company")

**Notice of Liquidators Decision to Dispense with Meetings of Creditors
(Pursuant to section 245 Companies Act 1993)**

We, Iain Bruce Shephard and Jessica Jane Kellow, Licensed Insolvency Practitioners of BDO Wellington, (Registration Numbers: IP71 and IP75 respectively), were appointed joint and several liquidators of the Company by special resolution of the shareholder on 16 December 2021 at 2.00pm.

We do not consider that a meeting of creditors should be held because [there are insufficient assets to meet the cost of holding such a meeting and there are limited prospects of funds being available for payment of a dividend to creditors other than to those who hold specific security or have a preferential claim.

No meeting of creditors will be called unless we receive notice in writing from a creditor requiring us to hold a meeting of creditors pursuant to section 314 of the Companies Act 1993 within 10 working days of their receipt of this notice. The Liquidators may decline a request by a creditor or a shareholder to call a meeting on the grounds that:

- a. The request is frivolous or vexatious;
- b. The request was not made in good faith;
- c. The costs of calling a meeting could be out of proportion to the value of the Company's assets.

The decision to decline a request may be reviewed by the Court on the application of any creditor, or shareholder

Appendix 5 - Initial Remuneration Notice

**SHODAN INVESTMENTS LIMITED (IN LIQUIDATION)
COMPANY NUMBER: 1796201
("Company")**

The purpose of this Remuneration Notice is to provide you with information about how our remuneration for undertaking the liquidation will be set.

Remuneration Methods

There are four basic methods that can be used to calculate the remuneration charged by an Insolvency Practitioner. These are:

a) Time Based Hourly Rates

This is the most common method of charging. The total fee charged is based on the hourly rate charged for each person who carried out the work multiplied by the number of hours spent by each person on each of the tasks performed.

b) Fixed Fee

The total fee charged is normally quoted at the commencement of the liquidation and is the total cost for the liquidation.

c) Percentage

The total fee charged is based on a percentage of a particular variable, such as the gross proceeds of assets realisations.

d) Success or Contingency Fees

The practitioner's fee is structured to be contingent on a particular outcome being achieved.

Remuneration Method Chosen

Given the nature of this liquidation remuneration has been calculated on a fixed fee basis.

Charge out Rates

Fees are charged on an hourly basis at the following rates and staffing levels:

Staffing Level	Hourly Rate (Excl GST) (\$)	General Experience
Liquidator	445 - 495	Licensed Insolvency Practitioners with a vast range of industry knowledge and experience. Significant experience in complex insolvency engagements. Leads assignments with overall responsibility for strategy and implementation.
Manager	325 - 395	RITANZ member with at least five years of insolvency experience. Well-developed technical and commercial skills and is responsible for small insolvency assignments.
Assistant Manager	295 - 325	RITANZ member and insolvency specialist with up to four years' experience. Assists planning and control of small to medium jobs.
Senior Analyst	245 - 295	RITANZ member and insolvency specialist with up to three years' experience. Degree qualified and undertakes work stream tasks subject to supervision.
Analyst	110 - 245	RITANZ member and insolvency specialist with one to three years of insolvency experience. Depending on the complexity of the administration, required to either control or assist with day to day fieldwork.
Support Staff	130 - 145	Skilled in administration and process management, specifically experienced working with insolvency related files.

Note: Rates charged by BDO are subject to change.

Disbursements

Disbursements are those out of pocket expenses incurred during the course of an appointment. They are recovered from available funds and are broadly grouped into three types:

- a) Costs paid from the Appointment's bank account directly to third parties not associated with the Practitioner or their firm; or
- b) Costs paid by the Practitioner to third parties not associated with the Practitioner or their firm and later claimed back from the Appointment; or
- c) Costs claimed by the Practitioner for non-professional services provided by the Firm (e.g. phone calls, photocopying & printing, stationery, data room hosting) and/or outlays incurred by their staff in the proper conduct of the Appointment.
